“DIANA” POOL TABLE is prestigious designed to be a nice piece of furniture perfectly fit into house, hotel, gaming rooms, pubs, bars and most recreation centers. Patanakarn Billiards is the leader in the manufacturing of high quality snooker table, pool table of all types, home and coin-operated tables which have now been in the tremendous demand of the gaming enthusiasts. Our tables are very well accepted by professional and serious players as a standard table in the tournament played in different parts of the world.

FEATURES AND INNER DETAILS.

- The Diana and most models use 3-piece 1” thick precision level to the best acceptable standard. The cushion rails are made and equipped with imported tournament standard K-66 American Pool rubber cushion to give a perfect smoother and more solid cushion rebound.
- Thick full size solid wood bearers, long and short are crossed fastened to average the distribution load of the weight of the entire table, fastened by 10” bolts result into a tough, sturdy table than plywood table.

FEATURES AND OUTSIDE APPEARANCE.

- **Solid wood** is used in most major parts of the tables. Mahogany, Oak, Cherry are dried to an acceptable of moisture contact before lathe turning or forming into a nice classy looking legs, cushion rails or any other table parts.
- **Cushion body** are made from solid hard wood, performance and reliability will be much better than a table that manufactured according to price, using low grade, softwood and plywood, or even MDF materials.
- **All metal pockets** and genuine leather cover and decorative fringe are standard in most models.
- **From more than 45 years** of table making skill & experience is a better guarantee in quality than all nicely written warranty.
